## Classification

---

The classification will be held on **Saturday 7 May, 09h:00 to 17h:00**.

It is the responsibility of the teams that **archers who have to be classified** arrive in time for the classification session. That means that they **have to arrive at the latest the day before the date of classification, so on Friday 6 May**.

Classifiers will not change the classification schedule due to teams who arrive at the classification day itself.

For athletes that need to be classified, a medical intake form, translated in English, is mandatory. It must be sent by email to the chief classifier of the tournament at least 20 days before the start of classification, **16 April 2016** to [archeryclassification@yahoo.com](mailto:archeryclassification@yahoo.com)

If this information has not been submitted by email before this date, the athlete will not be classified and therefore, will not be eligible to participate in the event.

For physically impaired archers classification will be held on the same location as the field of play.

There will be only one panel for PI classification. In case of protest, a new classification will not be possible on place and should be done on a future event with a classification session.

There will be no VI classification on this tournament.

Archers who are already classified on a WA tournament are allowed to shoot in their respective category.

## Preliminary & final registration

---

- **The Preliminary Entry Deadline (with 30% deposit) is: 6 February 2016**
- All registrations must be done using the World Archery Online Registration System (WAREOS V.2.): [www.archery.org/admin](http://www.archery.org/admin). No entry forms will be available to register for this event.
- A maximum number of 3 athletes per country (host country included) are allowed to be registered into each category of the event. In order to use WAREOS, please login on [www.archery.org/admin](http://www.archery.org/admin) with your Username and Password assigned by World Archery. After entering the WAREOS, please go to "Online Registration" and register your athletes for this event. A "WAREOS User Manual" can be downloaded in PDF format (English) using the same website link.
- For any questions regarding the WAREOS, please contact the World Archery office, Mr Jae Kyung LEE ([jklee@archery.org](mailto:jklee@archery.org)).
- Starting date of online registration using WAREOS: **7 January 2016**
- End of preliminary registration using WAREOS: **6 February 2016**
- End of final registration using WAREOS: **16 April 2016**
- Final date of sending medical form (in English) to the chief classifier **16 April 2016**
- Please pay attention to the stated deadlines. Teams will not be able to enter or update their data in WAREOS, after the deadlines as the system will be blocked. If teams wish to make any changes to their final registration after the deadline, you need to contact Mr Jae Kyung LEE, World Archery Member Services Coordinator ([jklee@archery.org](mailto:jklee@archery.org)) and the local organizing committee.

# Dutch Para Archery Tournament 2016 WRE

- Any Member Association sending final registrations that differ by more than 4 athletes from the preliminary registration will result in a penalty fee of € 100,00 to be paid in cash to the LOC upon arrival at the field (WAE agreement art. 3.2.)
- Teams that enter after the final deadline will pay a penalty fee of € 100,00 per athlete to be paid in cash to the LOC upon arrival at the field (WAE agreement art. 3.3.).
- Any Member Association that has made final entries in the WAREOS system and does not participate with the number of entries entered in the system has to inform the OC by email carel.deden@dpat.nl at least one week prior to the event that they are unable to attend.
- Since entries are through WAREOS only, Member Associations declare that their athletes and officials are aware of the participation waiver and anti-doping agreement. We recommend MA advise their athletes on this matter. However, accepting the conditions of athletes participation waiver and the anti-doping agreement are an eligibility requirement to participate in the event.
- Any entries received less than 3 days before the team managers meeting of this event will be refused if no preliminary entry and/or final entries were made beforehand. This decision cannot be appealed by teams and is fully compliant with the current World Archery rules, article 3.7.1.2. Entries received after the deadlines, are subject to penalties as clearly stated in the rule book and the invitation documents of the event. A Member Association that has made final entries in WAREOS and does not participate will be invoiced for the number of entries entered in the system, unless they have informed the OC in writing at least one week prior to the event that they are unable to attend.
- Only Member Associations in good standing will be eligible to compete. This also means that any World Archery penalty fees owed for 2015 must have been paid prior to competition.
- Nations will be registered and accepted after the Organizing Committee has confirmed the entries made in WAREOS and confirmed receipt of the 30% deposit.
